Subject: SHP Stats - Coutts

Sir,
Attached are the stats to date. Violation tickets were issued to identified protesters – vehicles with obvious signs of being involved in the Coutts anti-mandate protest. As well, to note, RCMP requested no enforcement in the area until February 7th.
There are also 135 identified violations to be issued by mail for parking/unregistered MV on highway.
Regarding the violations spreadsheet –
- Impaired Driving includes all on-criminal code sanctions,
- Aggressive Driving included speeding, red light, stop sign and careless driving charges,
- Other Traffic includes registration, insurance and license plate violations,
- Liquor Offence includes liquor in public and unlawful transportation in MV charges.
- The 1 CC incident was the assault on Sgt. Jorgensen.

I hope this helps.
